## *Power of Will. The World of Elisabeth Förster-Nietzsche*

**Prof. Ulrich Sieg (University of Marburg, Germany)**

Ulrich Sieg presents his new book. He has discovered a large number of hitherto unpublished documents about Elisabeth Förster-Nietzsche. They reveal a woman who in the era she lived could only fulfil her ambitions in the role of the sister. She was highly successful in publishing Friedrich Nietzsche's estate as part of a professionally organised cult of personality. Until today her picture is highly influential.
